

Bath Planning Worksheet

BEFORE YOU BEGIN: SAVE this worksheet to your computer, then open in Adobe Reader or Adobe Acrobat. Complete the information and save. When you have finished, go to [Complimentary Remodeling Consultation](#). Use the "Upload a File" field and "Browse" button near the bottom of the screen to attach this worksheet.

Thorough planning is an essential element in any successful remodeling project. Your bathroom may be a simple powder room or a spa like space. Complete a worksheet for each bath you wish to remodel or create. Check all items that are must haves and those you want to consider or add in the future. Be sure to ask everyone who will use the room for their input. We will help you to determine which items will fit within your budget and guide you on where to make your selections.
