

Tile Setters

Requirements include:

- 1-3 years tile setting experience
- Work independently as well as in a team environment
- Strong communication and customer service skills
- Follow simple to complex procedures and standards
- Read plans, perform prep work and layout setting and possess strong product knowledge
- Logical thinking and good judgement
- Drive a reliable vehicle, preferably a truck or van

We offer competitive wages, based on experience, a generous benefits package, an opportunity for growth and a great sense of accomplishment.

Interested candidates should forward resume to careers@plekkenpol.com or call Jamie Olinger, Production Supervisor, at 612-328-1365.
